

COTTINGHAM WEATHERED CREAM

CBP-OLI-CCR

TEXTURE, TYPE & COLOUR

Handmade facing bricks for interior and exterior use in decorative or construction walls.

Cottingham Weathered Cream; This clay facing brick has the Rustic charm and informal style typical of bricks produced at the Olivier Bricks factory. Cream or buff would best describe the colour of this brick. The use of a darker (yellow/black) like punctuation, brings an occasional pause — a gentle cream/buff brick with creases and wrinkles that add an extra level of interest to this classic brick.
